OFFICE OF THE REGISTRAR OF VOTERS

CITY AND COUNTY OF SAN FRANCISCO
158 City Hall, San Francisco, CA 94102 (415) 554 - 4375

Germaine Q Wong, Registrar of Voters

PREFACE

Following is the Preliminary Statement of Votes for the June 2, 1992 San Francisco Consolidated Presidential Primary Election. There are two lines for each precinct. The first line indicates the absentee votes and the second line indicates the the polling place votes. The turnout percentage is only for the polling place votes. You need to add the two numbers together in the turnout column to determine the total vote for a precinct and then use the total number you calculated to ascertain the percentage turnout for the precinct.

This election there were three mail-ballot precincts (i.e. precincts with no polling places - all voters were sent their ballots) - 3199, 3142, and 3899.

This is the first election since political and precinct lines were re-drawn and re-numbered as a result of the 1992 reapportionment. These are the major changes:

- The Congressional lines have been re-configured, so that most of the city is in the 8th Congressional District, except for the southwestern part of the city which is now in the 12th Congressional District.

- We now have two assembly districts instead of three.
  - The 12th Assembly District is in the west side of the city.
  - The 13th Assembly District is on the east side.

- Precincts have been re-numbered as follows:
  - precincts in the12th Assembly District begin with the number, "2."

  - precincts in the13th Assembly District begin with the number "3."

  - the second digit of the precinct number indicates the neighborhood in which the precinct lies.

    Example 1 - Precinct 2145
    This precinct is in the 12th Assembly District (the first digit is a "2") and the Richmond Neighborhood (the second digit is a "1").

    Example 2 - Precinct 3522
    This precinct is in the 13th Assembly District (the first digit is a "3") and the Haight-Ashbury Neighborhood (the second digit is a "5").

  - very few precincts end in "0."

  - "99" always indicates a mail-ballot precinct. If there is more than one-mail ballot precinct in a neighborhood, then we have to use another number as well.

To assist you, there is a Summary Report which precedes the Statement of Votes. After the Statement, we have included a table in which the political districts and neighborhood are listed for each precinct. For your reference, we have also included a neighborhood map.

For additional information regarding election results, please call Paul Manfuso, Computer Services Manager, at (415) 554 - 4388 or Gregory Ridenour, Administrative Manager, at (415) 554 - 4382.

Thank you for your interest in our election. We hope you find this Statement helpful. If you have suggestions to improve our format for future elections, please write us.
